### **SPECIAL EVENT! NEW PERSPECTIVES ON YOUR LIFE: Exploring Your Sacred Contract with Martie Hughes**

*"Every experience that we have contains purpose and meaning. Each event, each person in our lives embodies an energetic fragment of our own psyche and soul."*  
Caroline Myss

If you would like to better understand this statement, especially as it relates to your life, this is the workshop for you! Incorporating Caroline Myss' teachings on universal energies, the chakras, archetypes and Sacred Contracts, it offers valuable insights on life, relationships, challenges, and victories. Here's just some of what you'll get:

- ✦ You'll learn to uncover the energies of your unconscious mind, your beliefs, your experiences and perspectives that shape your reactions to everyday events.
- ✦ You'll learn how energies interact, especially as they relate to your own life.
- ✦ You'll learn how to see your life symbolically rather than literally, a view that is healing and empowering.
- ✦ You'll get a better understanding of your own Sacred Contract - why you're here, what you're here to contribute to the world.
- ✦ You'll leave with tools you can use to provide different perspectives on your life's many challenges.

It's a workshop that's fun, insightful, healing. At the core of this workshop are the teachings of Caroline Myss, specifically *Sacred Contracts: Awakening Your Divine Potential, Anatomy of the Spirit*, and *Why People Don't Heal and How They Can*, as well as the work of others.

NOTE: You will need a set of Caroline Myss' Archetype Cards which can be purchased at the workshop. Bring your copy of *Sacred Contracts*, if you have one. And an open mind.

**Saturday, October 22, 10 am - 5 pm;** we will work through lunch: you are welcome to bring a lunch or you can order from Panera's, which we will have delivered. \$125; early registrations (by October 10) \$110. \$15 materials fee to be paid to the instructor. Optional \$10-\$15 (approx.) for lunch at Panera's. Note: Online registration and payment available.

In 2004 she completed a two-year advanced training in Sacred Contracts at CMED, the Caroline Myss Educational Institute, receiving the designation Certified Archetypal Consultant from Caroline Myss. Martie is a multi-dimensional seer: a medium, an intuitive healer, and a spiritual coach. She is a registered medium in Lily Dale, New York, her year-round home. ### **LIFE COACHING CIRCLE: Be Efficient with Joanne Franchina**

## **DECEMBER 2011 GALA MESSAGE CIRCLE EVENT & HOLIDAY CELEBRATION**

Message Circle Events are popular with groups and those who are new to intuitive readings—and no wonder! They are fun and affordable, and allow one's friends and family members to participate. What happens in a message circle? Well, a handful of participants sit in a circle with a clairvoyant medium, who provides a message, or mini-reading, for each participant in turn. Joanne and her office partner, Rose

Vanden Eynden, have invited some of their favorite mediums in the area to participate, including Jaccolin Franchina, Christine Sabick, and others.

This event will be like a "Gala" in the Spiritualist tradition and include special items, such as oracle cards, crystals, spirit art, and more. During each mini-reading, the medium will be inspired by spirit to talk about a particular item that the participant can then take home as a special gift from spirit.

*Friday, December 2, 7 – 9 pm. \$25; limited space, pre-registration required. Joanne Franchina, Rose Vanden Eynden, hosts; guest mediums. To pre-register, email Rose at [info@vandeneynden.biz](mailto:info@vandeneynden.biz). Include your name, the number of reservations, your email address and telephone number, and how you heard about the event.*

### **MEDIUMSHIP CLINIC: Perfect Your Readings with Jaccolin Franchina & Joanne Franchina**

There is more to readings than delivering a series of messages from spirit. They require a sustained focus of your energies, the expectations and needs of the clients are greater, the circumstances of the client are sometimes challenging, and the topics that can come up are virtually limitless. In short, there's a lot riding on those 30 minutes! This clinic will help you rise to the challenge as you learn how to develop a reading style that honors the client, the process, the connection with spirit, and the overall intention of your reading practice.

*Saturday, December 3, 1 - 4 pm. Jaccolin Franchina & Joanne Franchina, co-instructors. \$55; early registrations (by November 28) \$45.*

### **JACCOLIN FRANCHINA**

is a registered medium in Lily Dale, New York, who divides her time between Lily Dale and Cincinnati, Ohio. Jaccolin's mediumship is characterized as strongly empathic; she often takes on the characteristics and mannerisms of loved ones in spirit until you feel they are in the very room with you. Jaccolin has led spiritual development classes for over ten years, and has been featured in several documentaries about Spiritualism and mediumship. [www.jaccolin.com](http://www.jaccolin.com).

## CRYSTAL PENDULUM Craft Class with Linda Vitagliano Berg & Joanne Franchina

What a wonderful afternoon we have in store for you! In this workshop you will make a lovely pendulum under the tutelage of Linda Vitagliano Berg, the proprietress of Gypsy Moon Imports in Cincinnati, Ohio. Linda and Joanne will begin with a discussion of the metaphysical and healing properties of natural crystals and gemstones, to help you select the ones to use in your unique pendulum. We will use silver plated chains (or copper), and there will be a beautiful assortment of crystals and stone beads from which to choose: spherical, elliptical, conical, natural shapes, even carved beads.

Linda will guide you through the simple process of assembling your pendulum—no prior experience or crafting skills needed. Joanne will then teach you about various uses for your pendulum. You will learn and practice principles and techniques for divination (such as yes and no), dowsing for healing and energy work (such as chakra balancing), and general guidelines on using and caring for your pendulum. Makes a wonderful gift for yourself, or a very special holiday present for some lucky person on your list—you might even give this class as a gift to a friend and enjoy a relaxing, fun afternoon together! All materials included. Time permitting, you can make more than one pendulum for an additional materials cost of \$10 and up per pendulum.
