MEDIUMSHIP MASTERY PROGRAM 2023-2024 YEAR ONE APPLICATION FORM

Entry into the Mediumship Mastery Program is a two-step process: 1) *apply* for acceptance into the program; 2) *register and pay* the tuition for the program.

PROGRAM APPLICATION

Prior to applying for the Mediumship Mastery Program, you must have successfully completed two courses of study: *Level 1* and *Level 2* of the workshop series, *Spirit Speaks: Exploring the World of Spirit Communication*.

To apply for the Mediumship Mastery Program, send your completed application form, along with the \$75.00 application fee, to the Inner Compass office. The application fee is non-refundable unless you are not accepted into the program by the principal instructor(s).

Permission of the principal instructor(s) is required to be accepted into the Mediumship Mastery Program. Of primary consideration are the applicant's intentions and qualifications as perceived by the instructor(s). Space in the program is limited; there is both a minimum and a maximum number of participants required for the program to commence. Commencement of the program may be delayed until the minimum number of participants is reached.

Applications are due by **September 15, 2023**; applications received after this date will be considered if maximum enrollment has not yet been reached. After Inner Compass receives an application, it is reviewed by the principal instructor(s). The applicant is notified of his or her status in the program, whether accepted or not accepted. If accepted, the applicant may continue with Program Registration and Payment; if not accepted, the application fee is refunded.

PROGRAM REGISTRATION & PAYMENT

Registration for the Mediumship Mastery Program requires two things: a completed registration form and your payment. Your payment completes the registration process and ensures your place in the program; without it, you're not registered.

Because space in the Mediumship Mastery Program is limited, pre-registration is strongly recommended, and may become required for the program to commence if we have not reached the minimum number of participants. Registrations are due by **October 1, 2023**; registrations received after this date will be considered if maximum enrollment has not yet been reached.
